

NO INDIGESTION

Misery From An Upset Stomach Goes In Five Minutes.

Take Some Diapepsin Now And Forever End All Distress From A Disordered Stomach

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper tonight. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fulness or heavy feeling in the stomach. Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your Pharmacist, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dyspepsia or Indigestion.

Do the right thing if you have Nasal Catarrh. Get Ely's Cream Balm at once. Don't touch the catarrh powders and snuffs, for they contain cocaine. Ely's Cream Balm releases the secretions that inflame the nasal passages and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than you were. In a word, Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents, or mailed by Ely Brothers, 56 Warren Street, New York.

Obituary

All of the older citizens of Harvey well remember Joseph M. Ellis, though he has been house-ridden for a number of years, and absent from the busy haunts of men. As early as 1890 Mr. Ellis came with his family to Harvey and has lived here ever since. Being trained from youth to the hardware business, he went into partnership with Mr. Henry Riordan, on Center Ave., where the firm did a prosperous business. Some 12 years ago, Mr. Ellis' health gave way, but so patient was he, so uncomplaining, that half the burden of caring for his comfort, was removed. He passed quietly and peacefully away on Sunday night, February 20, 1909, at 10 o'clock. The funeral services were held at the First M. E. church at 2 p. m. Tuesday, the sermon being delivered by the pastor, Rev. Homer Warren, and the interment was at Hazelwood cemetery. Beautiful flowers and a G. A. R. flag adorned the casket. The G. A. R. post was present in a body, and served as honorary pallbearers.

The membership of the Masonic Order came out in force to honor the memory of Mr. Ellis, marching in a body to the church.

Joseph Mathews Ellis was born in Hillsboro, Ohio, March 24, 1844. He attended the old-time Academy at Hillsboro, and when the war broke out enlisted at the age of 18. He was in the hard battle of Franklin, and at Harper's Ferry was taken prisoner, though afterwards paroled. After the war was over Mr. Ellis came to Lewistown, Ill. He was married in 1875, four children being born to this union, three sons and one daughter. The family have always been greatly attached to their parental home. This death is the first break in the circle for 35 years. The devotion of his wife and children during the long period of his illness was a great comfort to Mr. Ellis.—Harvey, Ill., News.

Judge—You have not yet established the prisoner's insanity.

Attorney—But, your honor, we mean to introduce witnesses to show that the prisoner habitually argues politics with women.—Puck.

SIMPLE RECIPE

Prepare This Simple Recipe at Home and Try It. Says Many Wait Too Long.

Druggists Here in Town Say They Can Supply the Ingredients or Make Up the Mixture.

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered as the most certain prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home, when asked, stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.
